

Care & Concern 2009

Current members are Faye Ferrell, (acts as Chair when Marcia isn't available) April Lashbrook, Sherry Zerbe and Marcia Denton (Chair). Continue the Caring Bear tradition where a teddy bear is sent to members and friends undergoing surgeries, serious illnesses, or particularly difficult times.

Continue sending a card from the congregation to those experiencing a concern of note.

Host baby showers as needed and arrange meals for at least two weeks post delivery.

Send birthday cards to all members and friends, adults as well as children. Have provided support, meals, and transportation to several who have been in need.

Instituted a monthly Care Sunday when stamped, addressed note cards are dispersed for individuals to write a note to those unable to attend the Sunday service or who need a little TLC.

Requested a birthday card shower for a formerly active member who is no longer able to attend church activities.
