

2009 Annual Report for Christmas Day Dinner Committee

Purpose: To make, deliver and serve dinner on Christmas Day to residents of Hendricks County and those helping to deliver meals.

Several meetings were held to organize the day of event. The process went fairly smoothly with several suggestions that were included in the main schedule document for next year.

It's my understanding that Rosie Maynard will head this event for 09. She has been given all the files and documents from Emily that I turned over to her earlier in the summer.

In 09 we need to remember to designate the Kroger donation we regularly receive for the Christmas Dinner. Due to fundraising efforts last year we have a great cushion for this year.

I expect improvements to the system to continue to improve each year as we get more experienced doing this on our own and as new people bring their skills and ideas into the project.

2008

Committee Chair Amy Hayden
Christmas Day Assistant: Lysiane Huber
Desserts: Mary Huber
